2011 Light The Night Corporate Walk Chair

"Young Conaway Stargatt & Taylor has played a role in many groundbreaking cases and has helped shape legislative and case law in Delaware for over half a century. The firm's attorneys are proud to support many worthwhile non-profit organizations in our community. This year, I have chosen to partner with LLS. Understanding the effects of leukemia, lymphoma and myeloma, I was inspired to ask members of my firm, along with other local business leaders, to join me this year in supporting this worthwhile organization."

Join Young Conaway Stargatt & Taylor to help raise money for the Leukemia & Lymphoma Society's Light the Night Walk on October 14,th at Frawley Stadium.
